

Appalachian State University Foundation Fellows Grants

Selection Process

1. Proposals are divided into the following categories, by faculty career stage:
 - Pre-tenure, early career faculty (<7 years)
 - Tenured, mid-career faculty (7-15 years)
 - Tenured, late-career faculty (16+ years)
 - Non-tenure-track faculty

2. The Hubbard Center Steering Council reviews the proposals. The Council comprises twelve members drawn from faculty across campus. Three members serve on each of the four sub-committees:
 - Pre-tenure, early career faculty (<7 years)
 - Tenured, mid-career faculty (7-15 years)
 - Tenured, late-career faculty (16+ years)
 - Non-tenure-track faculty

3. The Steering Council makes funding recommendations to the Hubbard Center, which forwards those recommendations to the Provost and Executive Vice Chancellor for final approval.
